STEM Showcase

**Curiosity.
Communication.
Confidence.
Character.
Community.**

Just some of what we build.

**Do you love the STEM fields?
Do you have a desire to make a difference?**

If so, you're invited to join the 2019 STEM Showcase by serving as a judge!

*The Jersey City Medical Center/RWJ Barnabas Health **STEM Showcase** will be held on **Monday, March 11th** at Liberty Science Center. The prestigious program, a longtime standard-bearer in the NJ educational landscape (formerly The Hudson County Science Fair) proudly enters our 61st year! Our mission continues—to encourage, guide, and support Hudson County's young people in their inclinations and excitement for the STEM fields (Science, Technology, Engineering, Math) and to facilitate opportunities that enable and promote their growth and success.*

Your requested participation will include the following:

- A commitment of approximately four hours (9:30am-1:30pm) on 3/11/19.**
- Participation in a 9:30am orientation breakfast meeting.**
- Assignment to a grade level or category judging team, working alongside an experienced team captain.**
- Interviews with students to assess and encourage their research.**

Ready to volunteer?
Please complete and
return the registration
sheet that follows.

Requirements for judges:

- Judges on the elementary level (grades 5-8):
bachelor's degree in science, math, technology,
engineering or education.**
- High school judges: advanced degree or
commensurate professional experience in any of
of the 17 categories listed.**

STEM Showcase

I'm in!

I will serve as a judge for the Stem Showcase on 3/11/19.

Name _____

Affiliation _____

Email address _____

Mailing address _____

City and Zip _____ Phone _____

Returning judge? Yes No

Background/Degree/Area of Expertise _____

(Bachelor's degree required for elementary/middle; advanced degree or expertise in related area required for high school)

I am best suited/most comfortable serving as a judge in the following area(s):

_____ Elementary/Middle Grades (grades 5-8) *or*
_____ High School (Please circle or highlight high school categories)

- | | |
|-------------------------|---|
| Animal Science | Behavioral and Social Science |
| Biochemistry | Cellular & Molecular Biology |
| Chemistry | Computer Science |
| Earth and Space | Engineering—Electrical & Mechanical |
| Energy & Transportation | Engineering: Materials & Bioengineering |
| Environmental Analysis | Environmental Management |
| Mathematical Science | Medicine & Health |
| Microbiology | Physics & Astronomy |
| Plant Science | |

_____ I will also serve as an adjunct member of the scientific review committee; I will arrive by 9:00 am to review projects. (This is a better fit for returning, experienced judges, as it conflicts with the judges' orientation meeting.)

**Please return this form to Kay O'Malley at Kay.STEMShowcase@gmail.com
or fax to 732.974.0221.**
